**DECLARATION OF  
PERI HOROWITZ**

08 CV 01335 (LTS) (TDK)

**PERI HOROWITZ**, under penalty of perjury, declares pursuant to 28 U.S.C. § 1746 that the following is true and correct:

1. I am the Director of Special Compliance and Policy Assurance for the New York City Campaign Finance Board ("Board"). I have held this title since November 2007. I have been employed by the Board in various capacities since December 1999. My most recent previous title was Chief of Compliance and Investigations and Assistant Director of Auditing and Accounting.

2. The Board administers the Campaign Finance Program ("Program"). All Program participants are required to file disclosure statements with the Board that report their campaigns' financial activity. These disclosure statements include information regarding contributions and those who deliver them ("intermediaries" or "bundlers"), matching funds claims, and expenditures, among other categories of disclosure. All Program participants who seek public matching funds are required to submit documentation to substantiate their claims. The Board staff reviews this documentation to determine whether a contribution is eligible to be matched with public funds under the Campaign Finance Act.

3. In the course of my various positions with the Board, I have been responsible for reviewing documentation submitted by campaigns, including documentation in support of claims for public matching funds. For contributions made by check that are claimed for match, a campaign is required to submit copies of all contribution checks. The Board reviews and maintains this documentation in the ordinary course of its work. I have access to records submitted by campaigns to the Board and maintained by the Board.

4. Thomas White, Jr. was a candidate for New York City Council in Council District 28 in the 2005 elections. Mr. White was a participant in the Campaign Finance Program who sought and received public matching funds. His campaign committee, Friends of Thomas White, Jr., was required to submit documentation to substantiate its claims for public funds. I reviewed the campaign's records on file with the Board. In the file, I found copy of check #1005 dated 7/7/05 drawn on a Wachovia Bank account of Frank Ricci and Sheila Andersen Ricci payable to Friends of Tom White, Jr. in the amount of \$500. This copy was submitted to substantiate contributions from Frank Ricci and Sheila A. Ricci that the campaign reported on the disclosure statements it was required to file with the Board. I created a scanned image of the check copy. By electronic mail, I sent the scanned image to the New York City Law Department on July 9, 2008. A true and correct copy of the scanned image is attached hereto as "Horowitz Exhibit A."

5. The Board also maintains electronic records of disclosure statements filed by campaigns. These records include contributions and the person or entity who served as the intermediary for the contributions. These records are available in a searchable database.

6. I am attaching as "Horowitz Exhibit B" a spreadsheet printout taken from the Board's records of all political contributions intermediated by Frank Ricci.

7. This spreadsheet lists 186 transactions (*i.e.*, contributions) intermediated by Frank Ricci to various political campaigns from 1997 to 2008, totaling \$96,691.

8. Included among the transactions bundled by Ricci are \$18,225 in contributions to the unsuccessful campaign of plaintiff Thomas Ognibene in connection with the special election held on June 3, 2008, to fill the vacated City Council seat in the 30<sup>th</sup> Council District.

9. Additionally, Ricci bundled \$7,250 in contributions to Councilmember Erik Martin Dilan, the son of plaintiff Martin Malave Dilan, in connection with the 2003 City Council elections.

10. I am also attaching as "Horowitz Exhibit C" a spreadsheet reflecting contributions to campaigns intermediated by Joseph Strasburg, President of the Rent Stabilization Association ("RSA"). Strasburg acted as the intermediary for 293 contributions to candidates' campaigns totaling \$117,780, all contributed during the 2001 election cycle to two candidates: \$113,280 to Peter F. Vallone, Sr.'s unsuccessful campaign for Mayor; and \$4,500 to Betsy Gotbaum's successful campaign for Public Advocate.

11. Finally, I am attaching as "Horowitz Exhibit D" a spreadsheet reflecting contributions bundled by the RSA itself. The spreadsheet reflects that the RSA bundled and conveyed sixteen contributions totaling \$7,000 to two campaigns: \$250 to Herbert Berman's

unsuccessful run for Comptroller in 2001; and \$6,750 to Nelson Denis's unsuccessful campaign for City Council in 2005.
